Comments made by the Defendant:

- 07:30** Well, we know things that the George Sweigert I know personally has told me. That George Sweigert, George Harry Sweigert was a radio operator in World War Two. And of course, his other son, David Sweigert, who has relentlessly pursued you and I, .. uhI may have mistakenly said that he was flying cocaine as a C.I.A. contractor during the Iran-Contra scandal. It seems more likely that he was just operating the radios for the C.I.A. contractors that were flying cocaine. [Note big grin of Defendant].
- 38:33** David Sweigert was in Mount Shasta where you were living at the time. Is that just a coincidence?
- 38:55** I have been discussing with the N.Y.P.D. and the F.B.I. what the legal definition of stalking and criminal harassment might be. I am very interested in finding that out. And of course, we did learn Quinn, that Mr. David Sweigert had firsthand knowledge of your location in Vaughn, New Mexico on the exact day that you suffered a spontaneous collapsed lung. How would he have known that? Did you share that information with anyone?
- 44:55** Dave Sweigert and Manuel Chavez, III affiliates.
- 47:40** We have seen these people that we are talking about regularly steal our intellectual property put it out on a monetized platform, which is STEEMIT, so they are earning money, they're working collectively, this seems like racketeering. Harassing me, they are spreading lies about you and I, accusing us of crimes.

Comments made by the Defendant:

- 15:22** Let's presume for a moment David [Hawkins] that Mr. Sweigert is an ethical hacker - he has told us that. I didn't know that, he wrote a book about ethical hacking. And, furthermore, what if he is put there as an ethical hacker to do something ethical and then unbeknownst to him, once he has unlocked the door, someone else who might be unethical takes advantage of that and comes right in there. He could tell us. I don't know who hacked the federal bridge and who manipulated the **Boeing uninterruptable auto-pilot** and who may have taken these aircraft off of their en-route airways, but, he certainly hacked it. ”
- 18:30** [HAWKINS] So, I think it is well within the bounds of possibility that after Dave Sweigert left the key in the door, [photograph of undersigned displayed in janitor uniform at the Pentagon] or allowed some people to get in, a snuff film, or snuff film team, or a snuff team went into the Pentagon upgrade project at the U.S. Navy Command Center and put a couple of bullets from a Glock into the back of the head of Captain Gerald DeConto. [Goodman: “wow”].”
- 35:30** I think it is their intention [Plaintiff and George Webb] to get Robert Mueller interested in this event that I believe they staged, at the Port of Charleston [photos shown of both brothers].

Comments made by Defendant:

- 48:48** The more I talk about the fact that STEEMIT.COM seems to be a PONZI scheme, and a money laundering scheme, or at least these individuals have described in a live streams and phone calls, DISCORD chat messages, they are describing mechanisms through which they are exploiting that block-chain driven crypto currency social media network to help finance their .. uh .. I think .. illegal activities.
- 49:28** Their false lawsuits and their version of lawfare. They're also trying now to rope in Dr. Corsi into this ridiculous hoax, that it would seem that a bunch of their affiliates perpetrated in the Port of Charleston.
- 49:47** I am trying to point out an elaborate scheme that's being utilized to try and take social media and make it a weapon.

- 04:58** I believe this legal action and the extra judicial actions that Mr. Sweigert has been taking **or actually evidence that these individuals are aligned.**
- 12:22** D. George Sweigert has written an entire book in which he claims I represent a threat vector, coming from social media.
- 12:50** I never considered myself a targeted individual until D. George Sweigert targeting me through actions like this. Which the Arizona State Bar agrees with us, that was frivolous and without merit.

Re: File No: 18-3258
Complainant: D. George Sweigert

Dear Mr. Goodman:

The State Bar recently received a bar charge against you from Mr. Sweigert. Mr. Sweigert alleges that you engaged in the unauthorized practice of law in Arizona by publishing certain YouTube videos of yourself, Brian Vukadin, and Michael Barden in which you discuss Mr. Barden's pending criminal case.

After our review of the charge, we have determined that no further investigation is warranted at this time. We therefore consider this file closed. However, please be mindful of Arizona Supreme Court Rule 31(a)(2) which defines the practice of law in Arizona as including "expressing legal opinions."

The closing letter to Mr. Sweigert contained the following:
